To
The Registrars of State Universities
(Affiliating universities of conventional colleges)

Sir,

Sub : APSCHE – Academic Cell – Recommendations of AP State Council of Higher Education on affiliation of Colleges and Courses – To implement with the approval of the Executive Council of the University concerned – Request– Regarding.
-oOo-

While referring to the subject cited, I am directed to communicate the recommendations of AP State Council of Higher Education on affiliation of Colleges and Courses for implementation with the approval of the Executive Council of the University concerned.

- (1) The University concerned shall issue affiliation orders in the form of proceedings of the Executive Council / Vice-Chancellor duly indicating the approval proceedings of the Council in the reference subject to fulfilment of conditions, since the Executive Council has the authority for affiliation of the Colleges under Section 19 of AP Universities Act 1991.
- (2) The University concerned shall not conduct examinations to the students based on No Dues Certificates or Certificate of affiliation without issuing affiliation orders to the Colleges concerned.
- (3) The University concerned shall not issue affiliation orders without approval of the Council or Extension of Permission (EoP) of the Colleges running in leased premises since the permission of the Council is pre-requisite for granting affiliation to the College concerned.
- (4) The University concerned shall not allow the Colleges to pay affiliation fee and/or affiliate such colleges without admissions for 2015-16, 2016-17 and 2017-18 or less than 25% admissions in each course from the last five years and withdraw affiliation of such colleges and amend the statutes accordingly.
- (5) The University concerned shall not issue orders keeping the college under "suspension of instruction" for years together without cancellation of affiliation and there is no such provision in AP University Act and also the same will dilute the concept of improving Gross Enrolment Ratio (GER).
- (6) The University shall not ask the Managements of the Colleges to take up the responsibility of Inspection Committees. The University concerned shall take up such responsibility and incur required expenditure from the affiliation fee collected from the Colleges concerned.

Yours faithfully,

SECRETARY
